

Teeraphon Plianram

Full-Stack Developer & System Analyst

Sakeaprong, Mueng Buriram, Buriram • teeraphon.pli@gmail.com • +66 63 005 6417

About Me

I am interested in Web Development and System Analysis, driven by a passion to transform ideas into functional systems. My experience includes UX/UI design on Figma, RESTful API development (Node.js/MySQL), and strategic monitoring systems. Alongside technical skills, my internship at CRG built my soft skills—helping me work efficiently with teams, understand users, and stay ready to learn new technologies to create quality work

Education

Buriram Rajabhat University
Bachelor of Science Program in Computer Science
GPA. 3.05

Nai Mueng, Mueng, Buriram
2023 - Present

Buriram Technical College
High Voc. Cert. in Digital Business Technology
GPA. 3.81

Nai Mueng, Mueng, Buriram
2021 - 2022

Experience

System Analysis and Design

Term Project
